

Curriculum Vitae: Philip Alcabes

Current Affiliations

Hunter College, CUNY, Professor of Urban Public Health (tenured 2004).

The Graduate Schools, CUNY, Professor of Public Health.

Yale University School of Nursing, Visiting Clinical Associate Professor.

Education

Johns Hopkins University School of Hygiene & Public Health, Ph.D. (Epidemiology), 1993.

Columbia University School of Public Health, M.P.H. (Epidemiology), 1981.

University of California, Berkeley, M.A. (Biochemistry), 1978.

Union College, B.S. (Chemistry), 1976.

Service Positions at Hunter College

Co-chair, Steering Committee on college-wide self-study for Middle States Commission on Higher Education re-accreditation review, 2007-08.

Secretary, College Senate, since 2007.

Member of Public Health Curriculum Committee, 2008.

Member of Mission and Planning Committee, Mellon Foundation-funded initiative on undergraduate education, 2007-09.

Member of search committee for College Provost and V.P. of Academic Affairs, 2007.

Member of Council on Honors, since 2004.

Member of College Senate, since 2003.

Member of Internal Advisory Board, Hunter College Center on Community and Urban Health, since 2003.

Member of College Senate's Standing Committee on Performance Outcomes and Assessment, since 2004.

Member of College Senate's Standing Committee on Undergraduate Academic Requirements, 2005-2007.

January 2010

Member of College Senate's Standing Committee on Academic Freedom, since 2006.

Member of Executive Committee, Nu Chapter (Hunter College) of Phi Beta Kappa, 2005-09.

Member of Provost's Ad-hoc Task Force on Assessment, 2003.

Member of Human Subjects Review Committee, 2002-05.

Coordinator, Community Health Education M.P.H. Program, 2001-05.

Courses Taught at Hunter College

Principles of Epidemiology (MPH and undergraduate students)

Principles of Biostatistics (MPH students)

Social Epidemiology (MPH and doctoral students)

Intro to Public Health (MPH students)

AIDS and Society (undergraduates)

Infectious Disease Epidemiology (MPH students)

Social History of Contagion Control (MPH students)

Ethics in Public Health (MPH students, undergrads, undergrad honors)

The Imagined Epidemic (undergraduate honors)

Current Professional Service Positions

NYC Department of Health and Mental Hygiene, World Trade Center Health Registry Project, Member of Scientific Advisory and Research Committees, since 2002.

NYU School of Medicine, Dept. of Medicine, Member of Data, Safety, and Monitoring Board for two federally funded tuberculosis clinical trials (William Rom, P.I.), since 2004.

American Council on Science and Health, Board of Scientific and Policy Advisors, appointed 2006.

Prior Faculty Positions

Hunter College, CUNY, Assistant Professor of Urban Public Health, 1999-2001.

Yale University School of Nursing, Visiting Clinical Assistant Professor, 1995-2002.

New York University School of Medicine, Asst. Professor of Environmental Medicine, 1995-99.

Yale University School of Medicine, Dept. of Medicine, Assoc. Research Scientist, 1993-95.

January 2010

National Health Science Research Institute, Asunción, Paraguay, Visiting Professor, Biostatistics, 1993.

Albert Einstein College of Medicine, Clinical Adjunct Instructor, Epidemiology, 1991-92.

Columbia University School of Public Health, Adjunct Instructor, Epidemiology, 1981-82.

Prior Research, Consulting, and Service Positions

Open Society Institute, Public Health Program, Consultant 2005-06.

New York University School of Medicine General Clinical Research Center, Biostatistician, 1997-99.

Open Society Institute, International Harm Reduction Development Program, Consultant, 1995-99.

Infant & Child Health Assessment Program, Project for Prevention of Developmental Delay in Children, Consultant, 1996-2005.

National Institute of Cancer, Areguá, Paraguay, Consultant, 1992-93.

Pan-American Health Organization office, Asunción, Paraguay, Evaluator, 1992-93.

Montefiore Medical Center, Dept. of Epidemiology and Social Medicine, Epidemiologist and Data Analyst (AIDS Research Program), 1990-92.

Johns Hopkins University School of Hygiene and Public Health, ALIVE study, Data Analyst, 1988-90.

U. S. General Accounting Office, Evaluator, 1989

Prison Health Project of the Correctional Association, Consultant, 1988.

Montefiore-Rikers Island Health Services, Epidemiology Unit, Project Coordinator, 1986-88.

Lindsley F. Kimball Research Institute of the New York Blood Center, Research Fellow, 1981-83.

Recent grant history

PSC-CUNY Research Award (no. 65272-00 34), P. Alcabes, P.I., "HIV/AIDS in the Former Soviet Union: Lessons not Learned," \$5000, July 2003-June 2004.

Co-investigator, NIDA research grant (N. Freudenberg, P.I.): "Impact of an HIV intervention for adolescent males leaving jail," April 2002-March 2006, total

January 2010

award \$2,335,619.

Co-investigator, National Institute of Nursing Research research grant (C. Royce, P.I.): "Dual methods of protection from pregnancies and STDs/HIV," March 2001-Feb. 2004, total award \$931,361.

PSC-CUNY Research Award (no. 62637-00 31), P. Alcibes, P.I., "Epidemiologic and Geographic Studies of the Spread of Urban Tuberculosis," \$3950, July 2000-June 2001.
